AT THE CORNER OF **CHURCH & STATE**

with Pastor Steve Scott

The **FIRST** in a series of community conversations hosted by Cargill United Methodist Church about matters of faith & daily life.

JUNE 19 | 7PM
in the Sanctuary

The 1st Amendment is often quoted but frequently misunderstood. How does it dictate the church's role in addressing issues of the day? Is there such a thing as a wall separating church & state?

The presenter has pursued two careers affected by the First Amendment: the church and the press. Former newspaper reporter now pastor, the Rev. Steve Scott has studied religion and news media at Northwestern University's Medill School of Journalism and Garrett-Evangelical Theological Seminary.
