EXPRESS DAY

**Save the date:
October 2**

The entire congregation will be invited to participate in what we're calling Express Day on Monday, October 2, at 6:30p in the Fellowship Hall.

We'll be joined by a team of trained listeners who will hear your hopes and dreams for Cargill UMC.

Much of the evening will be spent setting a spiritual foundation to see and learn how our ministry is directly related to our relationship with Jesus. Then you'll be asked for feedback to guided questions that will help learn about who Cargill is: our aspirations, dreams and challenges.

A special Express Sunday will follow on October 8, when we'll hold a single worship service that weekend at 10a.

Family Camp Out & Fun Night

A group of 30 people ages 2 to 80 came out for the campout here at Cargill. It was a experience filled with good conversation, snacks and fun!

Growing in Faith

Breakthrough Prayer

Lord, light our way to see your limitless possibilities for our lives, the Church, and your world. Help us know what you want to accomplish through us. Ignite our desire to do your will.

What's a "conflux moment"?

We can learn to become more aware of God in our lives.

Look for "The Power of the Moment" video at www.cargillumc.org/messages-archive/

What's Your Spiritual Style?

Are you a spiritual shepherd?

A systems/task organizer?

A vision crier? Knowing who we are helps us relate to each other better.

Request a quick quiz by e-mailing steve@cargillumc.org

These steps to deepening our faith are brought to you by the Missional Church Consultation Initiative (MCCI), of which Cargill UMC is a partner

BREAKTHROUGHS

At Cargill UMC, we're learning to notice and name "breakthroughs." That is, becoming more aware of how God is responding to our Breakthrough Prayer (see Page 2).

We invite you to notice and name the moments when God has answered prayer, or when you've become particularly aware of the divine presence in your life. Or simple gratitude.

We also encourage you to write your "notice and name" on a sticky note and place on the windows of our Garth courtyard. You'll find the notes and markers down both hallways outside the courtyard.

Here are some of the responses so far:

I saw God through connections with Cargill's awesome people this week

Sunrise and sunsets in Door County!

My shy dog finally wanting to snuggle with me

The quick sale of our house

My husband fell at a restaurant. I had immediate help from a paramedic who was there and a waitress who was a CNA

I saw God in the congregation when reading

I walked past the chapel and felt a shiver. I went back in front of it and felt the warmth of God's love.

Watching the meteor shower

Strength during unknown futures

Friends we can always count on

In the joy and beauty of our amazing organ music

A door almost fell on me, but did not!

I Listening to the country song, *Teddy Bear*

Surely the presence of the Lord is in this place!

In the faces of the youth who left on the youth trip today

Fireflies flashing in the night

Getting a *Nutcracker* audition

Finding a new church home at Cargill

My brother did not die in a motorcycle accident

Blessed knowledgeable pastors

Childhood friends still present in my life

Neighbors coming to my lemonade stand!

The blooming sunflowers

When it was bedtime, it was still light out so I wasn't scared

Mom and Dad

I felt God at the Taizé service

That my parents are still together

Waking up with an overwhelming sense of peace and calmness after a week of worry

The ripening of the harvest on our community farms

Seeing a formerly critically ill Cargill member back at church

Assurance of God's care in all circumstances

Turning 4 years old and going to 4K!

BANNED BOOK CLUB

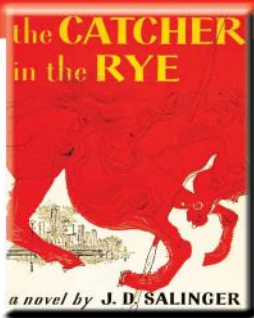

The Cargill UMC Banned Book Club

The Catcher in the Rye

by J.D. Salinger

Wednesday, Sept. 13

6:30 - 8PM | Room 106

The hero-narrator of *The Catcher in the Rye* is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. But is that a good reason to ban it?

Do your best to read the book before the discussion
