Faith Foundations

Perhaps the greatest gift teachers can offer their students is their own love for the subject they teach. Details matter, and there are methods that set some teachers apart. But ask people about their favorite teachers and you'll almost always hear some version of, "You could just tell how much she loved literature." To be a disciple of Jesus is

**Each week we offer a way
to help build a life of faith**

to know the God who took on human flesh as a teacher. Jesus is many things, but the Gospels make clear he was a teacher. He didn't simply teach a subject or a craft. He invited us into the Way of Love and showed us how to live it. This is what is spoken of in today's Scripture.

Wilson-Hartgrove,
The Upper Room
