In Christ you are a living miracle. Far more than words or preaching, it is your life that speaks.

— Rosario Picardo

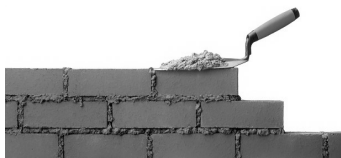

Faith Foundations

Earth Day, which is celebrated on April 22, aims to increase awareness about environmental issues. In Genesis 1:26–28, God grants humans the responsibility to care for creation. We are stewards of the earth. God delights in all of creation and declares it “very good” (Genesis 1:31).

Archbishop Desmond Tutu said care

**Each week we offer a way
to help build a life of faith**

for the planet is a moral obligation: “We, who should have been responsible stewards reserving our vulnerable, fragile planet home, have been wantonly wasteful through our reckless consumerism, devouring irreplaceable natural resources.”

Please consider replacing one-time use plastics with reusable cups and mugs. It will soon become a habit!
