## Summer is a busy time, but don't forget to PLAY with intention

Maybe start a family evening walk OR use car rides to get in quality conversation time.

Here are some conversation starters to develop that quality time together:

What is your favorite thing about summer? (trip, camp, VBS, summer food)

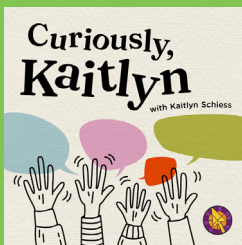

What is your favorite firework?

What is something good from your day that we can thank God for?

Did you face anything challenging today and how do you think God wants you to respond to them?

## Podcast Recommendation for all ages, big and small!

**Curiously, Kaitlyn** - a podcast that tries to answer some of the big God questions in a way that makes sense to kids.

Maybe you don't know where to start with talking about the bible with your kids. This podcast is a wonderful resource to learn together. Every child is different in what they can comprehend, but it will bring some good talking points when you are traveling to your activities in the car or eating around the table.

On June 8th, we celebrate Pentecost. This is a Christian festival celebrated 50 days after Easter, commemorating the descent of the Holy Spirit upon the Apostles and other followers of Jesus. One of the symbols of Pentecost is a dove. **Can you find the hidden dove on this Newsletter? If you find it, bring it to Brittney on a Sunday morning to get a prize!!**
