Faith Foundations The Best Gifts Are Shared

A study in Psychology Today indicated that being part of a faith community provides significant mental, emotional, and physical health benefits, including lower stress, increased longevity, and reduced depression. Members gain strong social support networks, shared values, and opportunities for purposeful volunteer work. It fosters personal growth through shared study, accountability, and a profound sense of belonging. That's not far from what the Bible teaches: A faith community is essential for spiritual growth, mutual support, accountability, and encouragement to become more like Christ. Whether this is your first or 500th time at Cargill UMC, we all are better off because you are here. The best gifts are those that are shared. The richest blessings are those that benefit all of us.

The Lord's Prayer

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.

Breakthrough Prayer

Lord, light our way to see your limitless possibilities for our lives, the Church, and your world. Help us know what you want to accomplish through us. Ignite our desire to do your will. Amen!

Scripture Focus

Ephesians 4:11-16

"Jesus himself granted that some are apostles, prophets, evangelists, pastors and teachers to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ. We must no longer be children, tossed to and fro and blown about by every wind of doctrine by people's trickery, by their craftiness in deceitful scheming; but speaking the truth in love, we must grow up in every way into him who is the head, into Christ, from whom the whole body, joined and knit together by every ligament with which it is equipped, as each part is working properly, promotes the body's growth in building itself up in love."

Remodeling update

We anticipate noise at the north and west entrances will be significant in the early stages of the project, beginning this week. We will seek to keep the building open throughout, but if temporary office closures are necessary, you can still reach us at 608-752-0548 or by e-mail at jo@cargillumc.org. We're grateful for your adapting to using alternate entrances during remodeling. Also, a reminder that our pipe organ is being refurbished and will be back late summer!
